EARN 10% ON 2020 SAILINGS WITH THE BEST PREMIUM CRUISE LINE

At Celebrity Cruises® we're doing everything we can to assist our valued partners through these challenging times. Travel disruptions and event cancellations can be difficult. To help keep your business moving forward, we'd like to offer you some extra support with our incredible new Take Ten program. Now, planners earn up to 10% of total cruise fares when booking any of our 2020 sailings—and of course, you can Take Five on our 2021/2022 sailings. With this credit, you can make your future meetings, incentives, and events even more successful. Use this credit to reduce total cruise fares. Or use towards entertainment and welcome distractions—such as shore excursions, spa treatments, cocktail parties, casino play, and more.

We're working around the clock to help you navigate through these uncertain times and provide peace of mind when planning your next trip. Thank you for sailing with us—and for the trust you place in us every day.
