*"On my last cruise with Celebrity I chose to try out Flights by Celebrity. The representatives did a great job explaining the benefits of the program. I'm a seasoned traveler and have flown many times without an issue. However, on my last cruise my flight was canceled due mechanical problems with the aircraft. I quickly called their guest flight team and they had my flights re-booked with an alternate airline and got me in just in time to make it to the ship. Without their commitment I would have missed out on my cruise. I will always book my flights with Celebrity from now on" - Ken H.*

*"Flights by Celebrity is such a great program. I love being able to bundle my entire trip into one package. Celebrity has such a great product and being able to handle all aspects within one company has made my trip planning process much easier." - Gwen*

*"We booked Flights by Celebrity last year for our Mediterranean cruise. Tampa to Washington DC to Rome. Flight delays caused us to miss our connecting flight.... Celebrity quickly re-routed us to a later flight to DC.....sent us to Munich.....then on to Rome... we made the ship with minutes to spare. Next time. We will fly in a day early, but. we will book again using Flights by Celebrity! - Janet W.*
